NOTICE OF ANNUAL GENERAL MEETING**

1. Introduction

The purpose of this circular is to provide you with information regarding the resolutions to be proposed at the forthcoming AGM of the Company to be held on 6th May, 2010 at 2:45 p.m., including (i) the ordinary resolutions proposing election of Directors who are due to retire at the AGM, (ii) the ordinary resolutions granting the Board

LETTER FROM THE BOARD

general mandates to issue and repurchase Shares, (iii) the ordinary resolutions approving the continuing connected transactions; and to give you notice of the AGM at which the ordinary resolutions as set out in the Notice of AGM will be proposed.

2. Proposed Election of Directors

In accordance with Bye-law 87(1) of the Bye-laws, Mr. Kam Hing Lam, Mr. Ip Tak Chuen, Edmond, Mr. Andrew John Hunter, Mrs. Chow Woo Mo Fong, Susan and Mr. Frank John Sixt will retire by rotation at the AGM and, being eligible, have offered themselves for re-election.

Details of the above Directors that are required to be disclosed under the Listing Rules are set out in Appendix I to this circular.

Any shareholder who wishes to nominate a person to stand for election as a Director of the Company at the AGM must lodge with the Company at its principal place of business at 12th Floor, Cheung Kong Center, 2 Queen's Road Central, Hong Kong within the period from Friday, 9th April, 2010 to Thursday, 15th April, 2010, both days inclusive, (i) his written nomination of the candidate, (ii) written confirmation from such nominated candidate of his willingness to be elected as Director and (iii) the biographical details of such nominated candidate as required under Rule 13.51(2) of the Listing Rules for publication by the Company.

3. Proposed General Mandate to Issue New Shares

A general mandate is proposed to be unconditionally given to the Board to issue and dispose of additional Shares not exceeding 20% of the issued share capital of the Company at the date of the resolution until the next annual general meeting. The relevant resolution is set out as Ordinary Resolution No. 5(1) in the Notice of AGM dated 7th April, 2010 ("Ordinary Resolution No. (1)").

In respect of Ordinary Resolution No. (1), the Board wishes to state that they have no immediate plans to issue any new Shares. Approval is being sought from the Shareholders for a general mandate for the purposes of the Listing Rules.

4. Proposed General Mandate to Repurchase Shares

At the last annual general meeting of the Company held on 14th May, 2009, a general mandate was given to the Board to exercise the power of the Company to repurchase the Shares. Such mandate will lapse at the conclusion of the forthcoming AGM. It is therefore proposed to seek your approval of the Ordinary Resolution No. 5(2) as set out in the Notice of AGM ("Ordinary Resolution No. (2)") to give a fresh general mandate to the Board to exercise the power of the Company to repurchase Share(s).

LETTER FROM THE BOARD

An explanatory statement, as required by the relevant rules set out in the Listing Rules to regulate the repurchase by companies with primary listings on the Stock Exchange of their own securities on the Stock Exchange, to provide requisite information to you for your consideration of the proposal to authorise the Board to exercise the power of the Company to repurchase Share(s) up to a maximum of 10% of the issued share capital of the Company at the date of Ordinary Resolution No. (2) (“Repurchase Proposal”) is set out in Appendix II to this circular.

5. Annual General Meeting

A notice convening the AGM to be held at the Ballroom, 1st Floor, Harbour Grand Kowloon, 20 Tak Fung Street, Hung Hom, Kowloon, Hong Kong on Thursday, 6th May, 2010 at 2:45 p.m. is set out in Appendix VI to this circular.

Pursuant to the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. The Chairman of the forthcoming AGM will therefore put each of the resolutions to be proposed at the AGM to be voted by way of a poll pursuant to Bye-law 66 of the Bye-laws.

Proxy form for use at the AGM is enclosed with this circular. The proxy form can also be downloaded from the Company’s website at <http://www.cki.com.hk> or the website of Hong Kong Exchanges and Clearing Limited at <http://www.hkexnews.hk>. Completion and return of the proxy form will not preclude you from attending and voting at the AGM or any adjournment thereof should you so wish.

An announcement will be made by the Company following the conclusion of the AGM to inform you of the results of the AGM.

Accordingly, the Board recommends you to vote in favour of such resolutions at the AGM.

LETTER FROM THE BOARD

7. Continuing Connected Transaction

i. Introduction

In order to continue the transactions underlying the 2009 Master Agreement following its expiration on 13th May, 2010, on 31st March, 2010, the Company announced that it had entered into the Master Agreement with HWL pursuant to which the Company or its subsidiaries may acquire the Connected Debt Securities issued by the Connected Issuers. The Connected Issuers are connected persons of the Company by virtue of being either a substantial shareholder of the Company or an associate thereof. The transactions underlying the Master Agreement constitute continuing connected transactions for the Company which are subject to the reporting, announcement and independent shareholders' approval requirements of the Listing Rules, if these transactions on an aggregated basis are in excess of the applicable percentage ratios of the Company under the Listing Rules.

ii. Master Agreement

Parties: the Company
 HWL

Date: 31st March, 2010

Subject matter: The parties agree that the Company or its subsidiaries may acquire the Connected Debt Securities issued by the Connected Issuers in the secondary markets subject to (i) the Company obtaining all applicable approvals (including the CCT Approval, if applicable), and (ii) the entering into of separate contracts in a form and on terms to be agreed between members of the Group and the relevant parties, which would be independent third parties from whom members of the Group would acquire the Connected Debt Securities in the secondary markets from time to time during the CCT Relevant Period.

The consideration of the Connected Debt Securities will be on normal commercial terms to be determined with reference to market prices quoted on financial data providers such as Bloomberg, which will be updated from time to time to reflect the ask/bid prices quoted by independent third parties (such as banks, debt securities dealers and institutional investors) having regard to the prevailing credit spread, market liquidity and counter party risk, and that the accrued coupons, where applicable, of the Connected Debt Securities will be settled in accordance with the terms of the Connected Issuers as may be applicable from time to time. For the other terms of the Connected Debt Securities, they would have been determined by the relevant issuers of the Connected Debt Securities at the time such securities were first issued.

The cap applicable to the transactions contemplated under the Master Agreement and effected during the CCT Relevant Period shall be subject to limitations (i) and (ii) as more particularly set out below.

LETTER FROM THE BOARD

The limitations pursuant to which the CCT Approval is granted include the followings:

- (i) the aggregate gross purchase price of the Connected Debt Securities of a particular issue held and proposed to be acquired by the Group during the Relevant Period pursuant to the CCT Approval sought shall not exceed 20% of the aggregate value of the subject issue and all outstanding Connected Debt Securities of the same issuer with the same maturity or shorter maturities;
- (ii) the Net Connected Debt Securities Position at any time during the Relevant Period shall not exceed: (a) HK\$2.5 billion or (b) 20% of the aggregate Net Liquid Assets of the Group which are accounted for and consolidated in the accounts of the Company as at 31st December, 2009, or if different, 20% of the Company's "unaudited consolidated net liquid assets" as at the last day of the immediately preceding calendar quarter, being the reference date, whichever is the lower. The amount of HK\$2.5 billion represents 20% of (i) the cash position of the Company as at end of February 2010 and (ii) marketable securities held by the Company as at end of February 2010. The lower of HK\$2.5 billion or 20% of the aggregate Net Liquid Assets was determined as the cap for the acquisition of the Connected Debt Securities to avoid undue concentration in a single issue of Connected Debt Securities and to achieve a reasonable degree of diversification, which is in line with the market practice as opined by the Independent Financial Adviser. For information purposes, as at the Latest Practicable Date, the Net Connected Debt Securities Position amounted to US\$185.89 million (approximately HK\$1,443 million);
- (iii) the Connected Debt Securities shall be (a) listed for trading on a recognised exchange, (b) offered to qualified institutional buyers in reliance on Rule 144A under the U.S. Securities Act of 1933, as amended, (c) offered to persons outside the United States in reliance on Regulation S under the U.S. Securities Act of 1933, or (d) offered pursuant to an issue where the aggregate value of such issue and all other outstanding Connected Debt Securities of the same issuer is no less than US\$500 million or its equivalent in other currencies permitted under (vi) below, and in all cases the Connected Debt Securities shall be acquired by the Group only on normal commercial terms arrived at after arms' length negotiations;
- (iv) the Connected Debt Securities shall be of at least investment grade or its equivalent;
- (v) the Connected Debt Securities shall not include zero coupon instruments or instruments with any imbedded option, right to convert into or exchange for any form of equity interest or derivative;
- (vi) the Connected Debt Securities shall be issued in any of the following currencies, Hong Kong Dollars, the United States Dollars, Canadian Dollars or such other currency as the Directors who have no material interest in the proposed

LETTER FROM THE BOARD

acquisition of Connected Debt Securities consider in their reasonable opinion as posing a risk acceptable to the Group having regard to the Group's assets and businesses from time to time; and

(vii) the Connected Debt Securities shall have maturity not in excess of 15 years.

The duration of the Master Agreement is for a period of one year from the date of the AGM at which the CCT Approval is granted, unless terminated earlier in accordance with the Master Agreement.

iii. Reasons for, and benefits of, the Continuing Connected Transaction

The Group has consistently applied conservative treasury policies in its cash and financial management. Since the global financial crisis in 2008, the returns available on surplus liquidity have been low. In reviewing the Group's investment and treasury strategy, the possibility of investing in longer dated instruments, particularly corporate bonds of good quality is considered. The Directors consider it prudent and in the interests of the Company and the Shareholders as a whole to continue to have the flexibility of being able to invest in debt securities issued by corporations which may be classified as connected persons of the Company, as among other things, the Directors are more familiar with the business, management and credit standing of such companies than they would normally be for arms' length companies. With a view to maintaining an appropriately balanced portfolio of financial investments and be consistent with its conservative treasury policies in its cash and financial management, certain protections and limitations are proposed in the terms of the Master Agreement and the ordinary resolution for the CCT Approval to be sought from the Independent Shareholders with a view to setting a sound framework for a liquidity investment policy applicable to Connected Debt Securities which may be acquired in the CCT Relevant Period, which should improve the Group's returns while keeping increased risks within prudent limits.

Having regard to the terms of the Master Agreement, the Board considers the terms of the Master Agreement to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

iv. Listing Rules Implications

The Connected Issuers are connected persons of the Company by virtue of being either a substantial shareholder of the Company or an associate thereof. The transactions underlying the Master Agreement constitute continuing connected transactions for the Company which are subject to the reporting, announcement and independent shareholders' approval requirements of the Listing Rules, if these transactions on an aggregated basis are in excess of the applicable percentage ratios of the Company under the Listing Rules. By virtue of its interests in the Master Agreement described above, HWL and its associates, which together are interested in 1,906,681,945 Shares (representing approximately 84.58% of the voting rights of the Company) as at the Latest Practicable Date, will abstain from voting on the resolutions approving the transactions contemplated under the Master Agreement at the AGM. The vote of the Independent Shareholders at the AGM will be taken by poll.

LETTER FROM THE BOARD

v. *Information relating to the Group*

The principal activities of the Group are development, investment and operation of infrastructure businesses in Hong Kong, the Mainland, Australia, New Zealand, the United Kingdom, Canada and the Philippines.

vi. *Information relating to the Connected Issuers*

The Connected Issuers operate and invest in five core businesses: ports and related services; property and hotels; retail; energy and infrastructure, finance and investments, and others; and telecommunications.

vii. *Recommendation*

The Board considers the terms of the acquisitions of the Connected Debt Securities are on normal commercial terms and the terms of the Master Agreement and the CCT Approval to be fair and reasonable and in the interests of the Company and the Shareholders as a whole. The Independent Board Committee has been established to give an opinion to the Independent Shareholders in respect of the Master Agreement and the CCT Approval. Somerley has been appointed as the independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in respect of the Master Agreement and the CCT Approval. The Independent Board Committee, having taken into account the terms of the Master Agreement and the CCT Approval and the advice of Somerley, considers the Master Agreement and the CCT Approval to be fair and reasonable and in the interests of the Company and the Shareholders as a whole and accordingly recommends that you vote in favour of the ordinary resolutions to grant the CCT Approval to be proposed at the AGM.

viii. *Additional Information*

Your attention is drawn to (i) the letter from the Independent Board Committee set out in Appendix III to this circular which contains the opinion of the Independent Board Committee to the Independent Shareholders regarding the terms of the Master Agreement and the CCT Approval; and (ii) the letter from the Independent Financial Adviser set out in Appendix IV to this circular which contains, among other things, its advice to the Independent Board Committee and the Independent Shareholders in respect of the terms of the Master Agreement and the CCT Approval. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules.

1. Share Capital

As at Latest Practicable Date, the issued share capital of the Company comprised 2,254,209,945 Shares of HK\$1.00 each.

Subject to the passing of Ordinary Resolution No. (1) and on the basis that no further Shares are issued prior to the AGM to be held on 6th May, 2010, the Company would be allowed under the Repurchase Proposal to repurchase a maximum of 225,420,994 Shares, representing 10% of the issued share capital of the Company.

2. Reasons for Repurchase

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its shareholders.

Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a purchase will benefit the Company and its shareholders.

3. Funding of Repurchase

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-Laws and the applicable laws of Bermuda. Such purchases may only be effected out of the capital paid up on the purchased Shares or out of the funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account.

In the event that the Repurchase Proposal was to be carried out in full at any time during the proposed repurchase period, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the Company's annual report for the year ended 31st December, 2009. However, the Directors do not propose to exercise the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. Share Prices

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

5. Undertaking

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to Ordinary Resolution No. (2) and in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company under the Repurchase Proposal if such is approved by the shareholders of the Company.

No other connected persons have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the Shareholders.

6. Rule 8.08 of the Listing Rules

As at the Latest Practicable Date, each of Mr. Li Ka-shing, Mr. Li Tzar Kuoi, Victor, Li Ka-Shing Unity Trustee Company Limited as trustee of The Li Ka-Shing Unity Trust, Li Ka-Shing Unity Trustee Corporation Limited as trustee of The Li Ka-Shing Unity Discretionary Trust, Li Ka-Shing Unity Trustcorp Limited as trustee of another discretionary trust, Cheung Kong (Holdings) Limited, Hutchison Whampoa Limited, Hutchison International Limited and Hutchison Infrastructure Holdings Limited, are deemed to be interested in the same block of 1,906,681,945 Shares, representing approximately 84.6% of

the issued share capital of the Company. Li Ka-Shing Unity Trustee Company Limited as trustee of The Li Ka-Shing Unity Trust additionally owns 5,428,000 Shares, representing approximately 0.2% of the issued share capital of the Company.

As announced by the Company on 8th January, 1997 and 17th February, 1997, the Stock Exchange has granted a waiver from strict compliance with Rule 8.08 of the Listing Rules to the Company on 9th January, 1997 subject to approximately not less than 15.2% of the issued share capital of the Company being held in public hands.

In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to Ordinary Resolution No. (2), and (if the present shareholdings otherwise remained the same), the attributable shareholding of each of Mr. Li Ka-shing, Mr. Li Tzar Kuoi, Victor, Li Ka-Shing Unity Trustee Company Limited as trustee of The Li Ka-Shing Unity Trust, Li Ka-Shing Unity Trustee Corporation Limited as trustee of The Li Ka-Shing Unity Discretionary Trust, Li Ka-Shing Unity Trustcorp Limited as trustee of another discretionary trust, Cheung Kong (Holdings) Limited, Hutchison Whampoa Limited, Hutchison International Limited and Hutchison Infrastructure Holdings Limited in the Company would be increased to a percentage which would result in the number of Shares in public hands to be below 15.2% of the issued share capital of the Company. The Company may not exercise the power to repurchase if it would constitute a breach of the condition upon which the waiver from strict compliance with Rule 8.08 of the Listing Rules was granted by the Stock Exchange. The Directors have no present intention to exercise the Repurchase Proposal.

7. Code on Takeovers and Mergers

If on exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Proposal.

8. Share Purchase made by the Company

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.

7th April, 2010

*To: the Independent Board Committee and
the Independent Shareholders*

Dear Sirs,

CONTINUING CONNECTED TRANSACTION

INTRODUCTION

We refer to our appointment as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the proposed granting of the approval for acquisition of Connected Debt Securities, details of which are set out in the circular to the Shareholders dated 7th April, 2010 (the “Circular”), of which this letter forms part. Unless the context otherwise requires, capitalised terms used in this letter shall have the same meanings as those defined in the Circular.

The CCT Approval will allow the Group to acquire bonds, notes, commercial paper and other similar debt instruments issued or to be issued by HWL or any of its subsidiaries (together, “HWL Group”) subject to the cap applicable to the transactions contemplated under the Master Agreement (“Cap”) and certain limitations as set out below. HWL is a connected person of the Company under the Listing Rules by virtue of being a substantial shareholder of the Company. The transactions governed by the Master Agreement will constitute continuing connected transactions for the Company which are subject to the reporting, announcement and Independent Shareholders’ approval requirements of the Listing Rules. HWL, together with its associates, are in aggregate interested in 1,906,681,945 Shares, (representing approximately 84.58% of the voting rights of the Company), will abstain from voting on the ordinary resolution (to be taken by poll) to be proposed at the AGM to grant the CCT Approval.

The Independent Board Committee, comprising all the independent non-executive Directors, namely Mr. Cheong Ying Chew, Henry, Mrs. Kwok Eva Lee, Mrs. Sng Sow-mei alias Poon Sow Mei, Mr. Colin Stevens Russel and Mr. Lan Hong Tsung, David, has been established to give an opinion to the Independent Shareholders as to whether the terms of Master Agreement and the CCT Approval (including the Cap) are fair and reasonable so far as the Independent Shareholders are concerned and in the interests of the Company and the

Shareholders as a whole. We, Somerley, being independent from the Company and its connected persons, have been appointed to advise the Independent Board Committee and the Independent Shareholders in this regard.

In formulating our opinion and recommendation, we have relied on the information and facts supplied, and the opinions expressed, by the Directors, and have assumed that the information and facts provided and opinions expressed to us are true, accurate and complete in all material aspects at the time they were made and will remain true, accurate and complete up to the date of the AGM. We have also sought and received confirmation from the Directors that no material facts have been omitted from the information supplied and opinions expressed to us. We have no reason to believe that any material information has been withheld from us, or doubt the truth or accuracy of the information provided. We have relied on such information and consider that the information we have received is sufficient for us to reach an informed view. We have not, however, conducted any independent investigation into the business, affairs or financial position of the Group or the HWL Group.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion and recommendation on the terms of the CCT Approval (including the Cap), we have taken the following principal factors and reasons into consideration:

1. Background to and reasons for the CCT Approval

The Company and HWL entered into the 2009 Master Agreement on 3rd April, 2009 in respect of the acquisition of the Connected Debt Securities. The 2009 Master Agreement shall expire on 13th May, 2010, being one year from the date on which the 2009 Master Agreement was approved by the then independent shareholders at the annual general meeting of the Company held on 14th May, 2009. The Company wishes to renew the transactions as set out in the Master Agreement and seek the CCT Approval from the Independent Shareholders at the AGM.

The CCT Approval gives the Directors flexibility to approve the acquisition of Connected Debt Securities which would otherwise require prior approval of the Independent Shareholders at a general meeting and will also avoid repeating the same disclosure requirements each time Connected Debt Securities are acquired. By entering into the Master Agreement, no Connected Issuer is under any obligation to issue, and none of the Company and its subsidiaries is under any obligation to acquire, any Connected Debt Securities.

The Group has maintained a strong balance sheet, with cash and deposits totalling HK\$10,736 million at the 2009 year-end, which are managed prudently. The Group has consistently applied conservative treasury policies in cash and financial management. To achieve better risk control and minimise the cost of funding, the Group's treasury activities are centralised.

Since the global financial crisis in 2008, the returns available to the Group on surplus liquidity have been low. The impact of the global financial crisis continued to resonate and bring uncertainty to the world markets in 2009. The first half of 2009 remained volatile,

while signs of recovery and improvement were seen towards the second half of the year. The Directors consider it prudent to invest in debt securities issued by corporations which are well known to the Group in terms of their business, management and credit standing. Acquisition of Connected Debt Securities contemplated under the Master Agreement will widen the range of potential investments in companies well known to the Group.

As disclosed in the Company's results announcement for the year ended 31st December, 2009, the Group's surplus cash was generally placed in short-term deposits which were mostly denominated in U.S. Dollars, Hong Kong Dollars, Australian Dollars or Pounds Sterling. The Group also invested in securities including stapled securities, equity securities and debt securities unlisted or listed overseas amounting to HK\$4,459 million. A stapled security comprises various subordinated loan notes and fully paid ordinary shares quoted at a single combined price and not traded separately. The subordinated loan notes, debt securities, listed notes and unlisted notes were issued by corporate entities with credit ratings ranging from A- to BBB-. In 2009, the Connected Debt Securities acquired by the Group bore a coupon rate of 6.25% which was significantly higher than the interest rates on deposits with banks.

2. Liquidity of the Group

The following is a summary of the Group's financial position based on its audited statement of financial position as at 31st December, 2009:

	As at 31st December 2009 (audited) (HK\$ million)

Total equity	<u><u>42,287</u></u>

The divestment of a subsidiary which owned three power plants in Mainland China in April 2009 generated sales proceeds of HK\$5,467 million to the Group and brought its total cash and deposits to HK\$10,736 million as at end of 2009. With total debt of HK\$7,871 million, the Group has a net cash position versus a 3 per cent gearing of net debt to shareholders' equity at the end of 2008. This healthy balance sheet provides the Company a strong financial platform to take advantage of acquisition and investment opportunities in the future. The Company has maintained a 'A-' credit rating from Standard & Poor's since its listing on the Main Board of the Stock Exchange in 1996.

As at 31st December, 2009, the Group had total assets of HK\$51,779 million, with interests in associates of HK\$33,259 million (accounting for 64.2%), pledged bank deposit, bank balances and deposits of HK\$10,736 million (accounting for 20.7%), and investments in securities of HK\$4,459 million (accounting for 8.6%).

Total borrowings of the Group as at 31st December, 2009 amounted to HK\$7,871 million, which were all denominated in foreign currencies. Of the total borrowings, 23% were repayable in 2010, 42% were repayable between 2011 and 2014 and 35% were repayable beyond 2014. There were bank loans of HK\$5,223 million carrying interests at floating rates

determined with reference to Australian Bank Bill Swap Reference Rate or London Interbank Offered Rate plus an average margin less than 1%. There were also unsecured notes amounting to HK\$2,646 million with interest bearing at 3.5% per annum.

3. Protections and limitations

In order to ensure that only a prudent proportion of the Group's liquidity is committed to Connected Debt Securities and to limit the risk of such securities themselves, certain protections and limitations are set out in the Master Agreement. These are in summary:

- (1) The amount invested into any one particular issue of Connected Debt Securities (net of sales) will not exceed 20% of that issue (aggregated if applicable with outstanding Connected Debt Securities of the same issuer with the same or shorter maturities).

The purpose of this limit is to avoid undue concentration in a single issue (taking into account similar or shorter dated issues outstanding). This will restrict the extent to which the Group can make investments in classes of securities in which there are few arms length investors.

- (2) The CCT Approval is subject to the Cap, whereby the aggregate investment in Connected Debt Securities (net of sales) at any time during the Relevant Period shall not exceed: (a) HK\$2.5 billion or (b) 20% of the aggregate Net Liquid Assets of the Group which are accounted for and consolidated in the accounts of the Company as at 31st December, 2009, or if different, 20% of the Company's "unaudited consolidated net liquid assets" as at the last day of the immediately preceding calendar quarter, being the reference date, whichever is the lower. The amount of HK\$2.5 billion represents 20% of (i) the cash position of the Company as at end of February 2010 and (ii) marketable securities held by the Company as at end of February 2010.

The purpose of this limit is so that the Group will not commit more than a fifth of its readily available liquidity to this category of investment. A limit of 20% is, in our experience, a relatively common top limit adopted when a portfolio of investments is designed so as to achieve a reasonable degree of diversification. As at the Latest Practicable Date, the Net Connected Debt Securities Position amounted to US\$185.89 million (approximately HK\$1,443 million).

- (3) The Connected Debt Securities should have a reasonable degree of liquidity as set out in the Master Agreement.

Liquidity will be subject to market conditions from time to time, as recent experience has demonstrated. However, the requirement that the securities should be listed on a recognised exchange, or should be "144A" or "Regulation S" or that they should have a value, with other outstanding Connected Debt Securities of the same issuer, of US\$500 million or more should mean that the holdings of Connected Debt Securities should have a certain degree of marketability in normal conditions. In all cases, the Connected Debt Securities shall be acquired by the

Group only on normal commercial terms arrived at after arms length negotiations. The Connected Debt Securities will either be the subject of an issue with formal documentation and a marketing process involving arms length price discovery or will be purchased in the market from an arms length seller on terms usual in the market adopting mechanisms as set out in the “Letter from the Board” section in the Circular.

- (4) The Connected Debt Securities should be of investment grade or equivalent.

This requirement should ensure that the particular security and its issuer have been subject to outside scrutiny. Although the standing of rating agencies may have suffered, we consider that the present climate is bringing a tightening of standards in such reviews.

- (5) The Connected Debt Securities should not be zero coupon and should not have conversion or option or similar features.

This restriction is designed to limit the investments to “straight” bonds, not zero coupons, where capital values are subject to wider fluctuations, or convertibles which are more complex to value and are exposed to the equity markets as well as the credit markets.

- (6) Currencies will be restricted to Hong Kong Dollars, United States Dollars or Canadian Dollars except where the currency of issue is not considered to give rise to a significant mis-match of currency of assets and liabilities.

This restriction is designed to limit currency exposure. The Company prepares its accounts in HK Dollars, so investments in HK Dollars, US Dollars (given the peg) and the closely-linked Canadian Dollars should be prudent. Some flexibility is allowed for other currencies if after due consideration the currency of assets and liabilities is considered to be well-matched.

- (7) Maturity is limited to 15 years.

This in our opinion is a relatively long maturity but is balanced by the provisions for liquidity set out above.

4. Financial position of HWL Group

The following is a summary of HWL's financial position based on its audited consolidated statement of financial position as at 31st December, 2009:

HWL Group had total principal amount of bank and other debts of HK\$259,089 million with a weighted average cost of debt of 3.2%, of which 62% are notes and bonds and 38% are bank and other loans. Out of the total borrowings, 7% were repayable in 2010, 54% were repayable between 2011 and 2014 and 39% were repayable beyond 2014. The interest bearing loans from minority shareholders of HK\$13,424 million were viewed as quasi-equity.

As at 31st December, 2009, HWL Group had total equity of HK\$320,944 million and consolidated net debt, excluding loans from minority shareholders which were viewed as quasi-equity, unamortised loan facilities fees and premiums or discounts on issue and fair value changes of interest rate swap contracts, of HK\$143,355 million. HWL Group's ratio of net debt (defined as total principal amount of bank and other debts net of cash and cash equivalents and liquid funds and other listed investments) to net total capital (defined as total bank and other debts plus total equity and loans from minority shareholders net of cash and cash equivalents and liquid funds and other listed investments) was 29.9%. HWL Group's long term credit ratings were "A3" from Moody's, "A-" from Standard & Poor's and "A-" from Fitch.

5. Reporting requirements and conditions of the CCT Approval

Pursuant to Rules 14A.37 to 14A.40 of the Listing Rules, the CCT Approval is subject to the following annual review requirements:

- (a) each year the independent non-executive Directors must review the acquisition of the Connected Debt Securities and confirm in the annual report and accounts that acquisition of the Connected Debt Securities have been entered into:
 - (i) in the ordinary and usual course of business of the Group;
 - (ii) either on normal commercial terms or, if there are not sufficient comparable transactions to judge whether they are on normal commercial terms, on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties; and
 - (iii) in accordance with the relevant agreements governing them on terms that are fair and reasonable and in the interests of the Shareholders as a whole;
- (b) each year the auditors of the Company must provide a letter to the Board (with a copy provided to the Stock Exchange at least ten business days prior to the bulk printing of the Company's annual report) confirming that acquisition of the Connected Debt Securities:
 - (i) have received the approval of the Board;

- (ii) are in accordance with the pricing policies of the Group (if applicable);
 - (iii) have been entered into in accordance with the relevant agreements governing the acquisition of the Connected Debt Securities; and

- (d) the Company shall promptly notify the Stock Exchange and publish an announcement in accordance with the Listing Rules if it knows or has reason to believe that the independent non-executive Directors and/or auditors of the Company will not be able to confirm the matters set out in paragraphs (a) and/or (b) respectively.

In light of the reporting requirements attached to the CCT Approval, in particular, (i) the restriction of the value of the acquisition of the Connected Debt Securities by way of the Cap; and (ii) the ongoing review by the independent non-executive Directors and auditors of the Company of the terms of the acquisition of the Connected Debt Securities and the Cap not being exceeded, we are of the view that appropriate measures will be in place to monitor the conduct of acquisition of the Connected Debt Securities and assist to safeguard the interests of the Independent Shareholders.

DISCUSSION AND ANALYSIS

We consider the Group has strong liquidity with a net cash position of HK\$2,865 million by reviewing its recently published audited statement of financial position as at 31st December, 2009. Its healthy balance sheet provides the Group a solid financial platform for future acquisition and investment opportunities.

Returns available to the Group on its surplus liquidity have been low since the global financial crisis in 2008. The Directors consider they will be able to increase returns on the Group's surplus liquidity by investing in longer dated instruments, particularly corporate bonds of good quality. In so doing, the Directors would like the flexibility of being able to invest in bonds issued by companies which may be classified as connected persons for this purpose, as among other things, the Directors are more familiar with the business, management and credit standing of such companies than they would normally be for arms length companies. This is only additional flexibility being accorded to the Directors and there is no obligation to acquire any Connected Debt Securities. Summary balance sheet information on HWL and its subsidiaries, the connected persons whose Connected Debt Securities may be acquired, is set out above. We consider HWL Group has a strong financial position.

It would not be prudent to put all or even a majority of Group liquidity into such instruments and consequently protections and limitations are proposed, an approach with which we concur. We consider the 20% limit, in aggregate and for one issue (with some flexibility), is a widely used upper limit when designing a portfolio to achieve a certain degree of diversification. Other limitations relate to liquidity, credit rating, lack of zero coupon or option/convertible features, currency and maturity. We consider that, taken together, this array of protections and limitations will provide a sound framework for a liquidity investment policy which should improve returns while keeping increased risks within prudent limits.

OPINION

Having taken into account the above principal factors and reasons, we consider that the Master Agreement is on normal commercial terms and is entered into in the ordinary and usual course of business of the Group. We further consider that the terms of the Master Agreement and the CCT Approval (including the Cap) are fair and reasonable so far as the Independent Shareholders are concerned and in the interests of the Company and the Shareholders as a whole. Accordingly, we advise the Independent Board Committee to recommend, and we ourselves recommend, the Independent Shareholders to vote in favour of the relevant ordinary resolution to be proposed at the AGM to grant the CCT Approval.

Yours faithfully,
for and on behalf of
SOMERLEY LIMITED
M. N. Sabine
Chairman

1. The 1,912,109,945 shares in the Company comprise 1,906,681,945 shares held by a subsidiary of Hutchison Whampoa Limited (“HWL”) and 5,428,000 shares held by Li Ka-Shing Unity Trustee Company Limited (“TUT1”) as trustee of The Li Ka-Shing Unity Trust (“UT1”).

The discretionary beneficiaries of each of The Li Ka-Shing Unity Discretionary Trust (“DT1”) and another discretionary trust (“DT2”) are, inter alia, Mr. Li Tzar Kuoi, Victor, his wife and children, and Mr. Li Tzar Kai, Richard. Each of Li Ka-Shing Unity Trustee Corporation Limited (“TDT1”, which is the trustee of DT1) and Li Ka-Shing Unity Trustcorp Limited (“TDT2”, which is the trustee of DT2) holds units in UT1 but is not entitled to any interest or share in any particular property comprising the trust assets of the said unit trust. TUT1 as trustee of UT1 and its related companies in which TUT1 as trustee of UT1 is entitled to exercise or control the exercise of one-third or more of the voting power at their general meetings (“TUT1 related companies”) hold more than one-third of the issued share capital of Cheung Kong (Holdings) Limited (“CKH”). Certain subsidiaries of CKH in turn together hold more than one-third of the issued share capital of HWL.

Each of Mr. Li Ka-shing, Mr. Li Tzar Kuoi, Victor and Mr. Li Tzar Kai, Richard is interested in one-third of the entire issued share capital of Unity Holdco. By virtue of the above and as a discretionary beneficiary of each of DT1 and DT2 and as a director of CKH, Mr. Li Tzar Kuoi, Victor is taken to have a duty of disclosure in relation to the shares of CKH held by TUT1 as trustee of UT1 and TUT1 related companies, the shares of HWL held by the subsidiaries of CKH and the shares of the Company held by each of the subsidiary of HWL and TUT1 as trustee of UT1 under the SFO as a Director of the Company. Although Mr. Li Tzar Kai, Richard is interested in one-third of the entire issued share capital of Unity Holdco and is a discretionary beneficiary of each of DT1 and DT2, he is not a director of CKH and has no duty of disclosure in relation to the shares of CKH held by TUT1 as trustee of UT1 and TUT1 related companies under the SFO.

 - (b) 11,496,000 shares held by Li Ka-Shing Castle Trustee Company Limited (“TUT3”) as trustee of The Li Ka-Shing Castle Trust (“UT3”). The discretionary beneficiaries of each of the two discretionary trusts (“DT3” and “DT4”) are, inter alia, Mr. Li Tzar Kuoi, Victor, his wife and children, and Mr. Li Tzar Kai, Richard. Each of the trustees of DT3 and DT4 holds units in UT3 but is not entitled to any interest or share in any particular property comprising the trust assets of the said unit trust.

The entire issued share capital of TUT3 and the trustees of DT3 and DT4 are owned by Li Ka-Shing Castle Holdings Limited (“Castle Holdco”). Each of Mr. Li Ka-shing, Mr. Li Tzar Kuoi, Victor and Mr. Li Tzar Kai, Richard is interested in one-third of the entire issued share capital of Castle Holdco. TUT3 is only interested in the shares of HWL by reason only of its obligation and power to hold interests in those shares in its ordinary course of business as trustee and, when performing its functions as trustee, exercises its power to hold interests in the shares of HWL independently without any reference to Castle Holdco or any of Mr. Li Ka-shing, Mr. Li Tzar Kuoi, Victor and Mr. Li Tzar Kai, Richard as a holder of the shares of Castle Holdco as aforesaid.
